It is seen that Mr D'Cruz joined M.E.S in June 1941 on a definite direction from Govt (P.W. Dept G.O) that he may be granted leave with out allowances for the period of his employment in the M.E.S and his lien kept on in the P.W.D. till his return. The G.O sanctioning the concessions was issued in Dec. 1941 and the grant of furlough allowances applies only to actual combatants. Since Mr. D'Cruz is only a Civil Engineer in the M.E.S, he cannot perhaps be considered as a regular combatant. Further when he joined the M.E.S he was aware of the conditions under which he has permitted to join the Service. In view of the above he does Not seem to be entitled to the furlough concessions which are applicable only to regular combatants. Subd for favourable orders.

RS. 17/2

When Mr. D'Cruz volunteered for war service, in June 1941, Govt had not yet sanctioned the concessions to Govt Servants volunteering for war service. The G.O. sanctioning these concessions was issued on 29/12/41.

and that it does not appear equitable to deprive Mr. D'Cruz of these concessions merely because he had volunteered earlier. As the Military authorities have certified that the services of Mr. D'Cruz have been declared as "Approved War Service" since the date of his appointment, he may be granted the Concessions sanctioned in the G.O. of 29.12.41.

DEWAN'S OFFICE
No. 269
22/10

Dear Sir,

My object in addressing you directly in this matter is by no means unwanted, as a matter of fact it is the outcome of sheer indifference on the part of the Chief Engineer's Office, Irrigation, P.W.D., Bangalore.

I am a Gazetted Officer of the Government of Mysore, and in June 1941 my services were taken by the Defence Department of India. As per Govt: of Mysore's Special Order No. 1313-85-W-138-14-2, dated 29th Dec: 1944, as amended by Government Order No. 3414 S&A 75-45-2, dated 23rd Nov: 1945, and being eligible to the concession made in the above mentioned Order - Furlough Pay for the period of services - I applied in the month of April 1946 for this concession to be sanctioned to me for the period 27th July 1941 to 31st December 1945.

I have had repeated letters sent through the Dy: Chief Engineer, Southern Command, Mily: Engineer Services, to the Chief Engineer, Irrigation, Govt: of Mysore, who, I understand, has been dealing with my application since May '46. In spite of the fact that the necessary certificate signed by the competent authority, as called for, was sent in the month of July 1946, I still await settlement.

I am, therefore, taking the privilege of addressing you in the matter in order that settlement be expedited.

I am sure, you will appreciate my position with very meagre chances of getting leave, in order to attend to this matter personally. I would like further to make it clear, that it is not my intention to express a personal dissatisfaction or to short-circuit official channels.

Thanking you in anticipation,

I beg to remain,
Sir,
Your Obedient Servant,

CONCESSIONS.

Sanctioning certain - to Government Officers in Civil Employ who volunteer themselves for war service.

Order No.W.1313-85/W.138-40-2 dated, Bangalore, 29-12-1941.

The Government of His Highness the Maharaja are pleased to direct that the following special considerations be shown in the case of officers of Government in civil employ who volunteer themselves for war service:-

A Government servant permitted to volunteer for War Service will be given furlough pay, plus the pay and allowances of army rank. Absence on War Service will not be regarded as an interruption of duty for leave already earned and will count for pension but not for leave, [illegible]. If the officer in question was holding an appointment on incremental pay, the period spent on war service will count towards increments. On return to civil duty, such an officer, will have the right to resume the appointment which he was previously holding or an appointment of the same class and carrying not less pay.

For the purpose of these concessions, the following kinds of service will be deemed to be war service:-

a) Service of any kind abroad with a mobilised unit

b) Service in India under Military Munitions or stores authorities and service in a factory notified under Section 4 (1) of the National Service (Technical Personnel) Ordinance 11 of 1940 in all cases with liability to serve abroad when required; and

c) A period of training with Military units with liability to serve abroad when required.
